RE: REQUIRES ON-SITE LICENSED MEDICAL PROFESSIONAL AT KIDNEY
DIALYSIS CLINICS AND ESTABLISHES OTHER STATE REQUIREMENTS.
INITIATIVE STATUTE #1907

Pursuant to Section 9034 of the Elections Code, the Senate Rules Committee is assigning the above named initiative to the Senate Health Committee for the purpose of a public hearing.

Senate Bill 1253 (Ch. 697, Statutes of 2014) amended Elections Code section 9034 to require that once proponents of a proposed initiative measure have gathered 25% of the number of signatures required, proponents must immediately certify they have done so under penalty of perjury to the Secretary of State.

Upon receipt of the certification, the Secretary of State must provide copies of the proposed initiative measure and the circulating title and summary to the Senate and the Assembly. Each house is required to assign the proposed initiative measure to its appropriate committees and hold a joint public hearing, at least 131 days before the date of the election at which the measure is voted on. **The 131-day deadline for the November 8, 2022 General Election is June 30, 2022.** The statute does not permit the Legislature to alter the measure or prevent it from appearing on the ballot.

Sincerely,

A handwritten signature in black ink, appearing to read "Erika Contreras", written over a circular stamp.
